

Albert Street, 0.2 km, Pavement

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Albert Street, 0.2 km, Gravel

Maintenance work - Regular grading and graveling

- Culvert inspections
- Regular brushing on shoulders and ditches
- Annual calcium (dust control)

Algoma Street, 0.2, Pavement

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Scheduled Work - 2013, install additional dry well on west side of roadway

- Raise complete road surface to prevent annual road flooding
- Repave road surface

Allan Road, 0.7 km, Gravel

- Maintenance work - Regular grading and graveling
- Culvert inspections
 - Regular brushing on shoulders and ditches
 - Annual calcium (dust control)

Baggs Road, 2.5 km, Pavement

Maintenance Work - Regular inspections
- Patching where needed
- Regular brushing on shoulders and ditches

Baggs Road, 1.5 km, Unmaintained

Maintenance Work – No work to be done on this portion of road

Bass Lake Road, 1.2 km, Surface treatment

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Bass Lake Road, 2.1 km, Gravel

Maintenance work - Regular grading and graveling

- Culvert inspections
- Regular brushing on shoulders and ditches
- Annual calcium (dust control)

Beladair Road, 0.1 km, Gravel

- Maintenance work - Regular grading and graveling
- Culvert inspections
 - Regular brushing on shoulders and ditches
 - Annual calcium (dust control)

Bessborough Street, 0.3 km, Pavement

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Blimkie Street West, 0.4 km, Surface Treatment

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Scheduled Work - 2016, Top coat existing double surface treatment with a single layer to strengthen and prevent premature failure of existing road surface

Blimkie Street West, 0.2 km, Gravel

Maintenance work - Regular grading and graveling

- Culvert inspections
- Regular brushing on shoulders and ditches
- Annual calcium (dust control)

Blimkie Street East, 0.2 km, Pavement

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Bob Seguin Drive, 0.3 km, Pavement

- Maintenance Work - Regular inspections
- Patching where needed
 - Regular brushing on shoulders and ditches

Bob Seguin Drive, 0.6 km, Surface Treatment

- Maintenance Work - Regular inspections
- Patching where needed
 - Regular brushing on shoulders and ditches

Bronson Road, 0.9 km, Gravel

- Maintenance work - Regular grading and graveling
- Culvert inspections
 - Regular brushing on shoulders and ditches
 - Annual calcium (dust control)

Brouse Road, 0.9 km, Surface Treatment

- Maintenance Work - Regular inspections
- Patching where needed
 - Regular brushing on shoulders and ditches

Brouse Road, 0.4 km, Gravel

- Maintenance work - Regular grading and graveling
- Culvert inspections
 - Regular brushing on shoulders and ditches
 - Annual calcium (dust control)

Burkes Bluff Road, 0.3 km, Surface Treatment

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Burkes Road, 1.8 km, Surface Treatment

Maintenance Work - Regular inspections

- Patching where needed

- Regular brushing on shoulders and ditches

Chemainus Street, 0.2 km, Surface Treatment

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Scheduled Work - 2014, Pulverize existing road surface

- Add gravel and grade to proper slope
- Ditching and shoulder repairs
- Apply new double surface treatment

Church Street, 0.8 km, Pavement

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Scheduled Work – 2015, lower man hole covers as required

- Rehabilitate 200 meters of deteriorated areas and repave

Circle Road, 0.1 km, Gravel

- Maintenance work - Regular grading and graveling
- Culvert inspections
 - Regular brushing on shoulders and ditches
 - Annual calcium (dust control)

Colton Creek Road, 0.6 km, Gravel

- Maintenance work - Regular grading and graveling
- Culvert inspections
 - Regular brushing on shoulders and ditches
 - Annual calcium (dust control)

Connaught Avenue, 0.1 km, Pavement

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Cook Street, 0.3 km, Pavement

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Scheduled Work - 2013, Lower 2 man hole covers to reestablish a smooth driving surface

Corry Lake Road, 0.6 km, Gravel

- Maintenance work - Regular grading and graveling
- Culvert inspections
 - Regular brushing on shoulders and ditches
 - Annual calcium (dust control)

Cutler Lane, 1.1 km, Gravel

Maintenance work - Regular grading and graveling

- Culvert inspections

- Regular brushing on shoulders and ditches

- Annual calcium (dust control)

Dover Lane, 0.1 km, Pavement

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Scheduled Work - 2013, Lower 1 man hole covers to reestablish a smooth driving surface

Dufferin Street, 0.3 km, Pavement

Maintenance Work - Regular inspections

- Patching where needed

- Regular brushing on shoulders and ditches

Elizabeth Street, 0.2 km, Pavement

Maintenance Work - Regular inspections

- Patching where needed

- Regular brushing on shoulders and ditches

Fields Road, 0.6 km, Surface Treatment

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Scheduled Work - 2015, Top coat complete road surface with a single layer of surface treatment to strengthen and prevent premature failure of the existing surface

Forestry Road, 2.5 km, Surface Treatment

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Scheduled Work - 2016, Rehabilitate 300 meters of deteriorated road surface

- Add gravel and grade to proper slope
 - Ditching and shoulder repairs
 - Apply double surface treatment
-
- Top coat remaining 2.2 km of roadway with a single layer of surface Treatment to strengthen and prevent premature failure of road surface

Frasers Road, 0.5 km, Gravel

- Maintenance work - Regular grading and graveling
- Culvert inspections
 - Regular brushing on shoulders and ditches
 - Annual calcium (dust control)

Garden View Lane, 0.2 km, Surface Treatment

Maintenance Work - Regular inspections

- Patching where needed

- Regular brushing on shoulders and ditches

George Street, 0.2 km, Pavement

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Gleason Lane, 0.6 km, Gravel

- Maintenance work - Regular grading and graveling
- Culvert inspections
 - Regular brushing on shoulders and ditches
 - Annual calcium (dust control)

Godreau Road, 0.4 km, Gravel

- Maintenance work - Regular grading and graveling
- Culvert inspections
 - Regular brushing on shoulders and ditches
 - Annual calcium (dust control)

Gutzman Road, 1.4 km, Surface Treatment

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Scheduled Work - 2016, Top coat existing double surface treatment with a single layer to strengthen and prevent premature failure of existing road surface

Hill Street, 0.2 km, Gravel

- Maintenance work - Regular grading and graveling
- Culvert inspections
 - Regular brushing on shoulders and ditches
 - Annual calcium (dust control)

Hunts Road, 0.5 km, Surface Treatment

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Hunts Road, 0.4 km, Gravel

Maintenance work - Regular grading and graveling

- Culvert inspections
- Regular brushing on shoulders and ditches
- Annual calcium (dust control)

Joseph Street, 0.5 km, Pavement

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Scheduled Work - 2013, Lower 2 man hole covers to reestablish a smooth driving surface

Josie Lane, 0.4 km, Surface Treatment

Maintenance Work - Regular inspections

- Patching where needed
- Regular brushing on shoulders and ditches

Scheduled Work - 2013, Pulverize existing road surface
